

# CDHS GRADUATE SURVEY

Central Dauphin High School would like to recognize the many graduates of this school who have gone on to do great things.

If you would like to participate and be highlighted in our showcase, please fill out our graduate survey. Please give your name, year of graduation, a current picture if possible and a short biography of your occupation.

We are hoping to bring attention to you as well as inspire our current students as to what some of our graduates have done with their lives with hard work and dedication. Please return completed surveys to [tthomas@cdschools.org](mailto:tthomas@cdschools.org) or [cbertovic@cdschools.org](mailto:cbertovic@cdschools.org) .
