Central Dauphin High School Alumni Association

Estab. 2005

As our alma mater approached its 50th Anniversary milestone, a dedicated group of individuals pooled their talents and efforts to hold a grand celebration for the school and community at Landis Field on September 24, 2005. This one-day event renewed our sense of loyalty to Central Dauphin and inspired us to create the **Central Dauphin High School Alumni Association** just a month later. With our Mission Statement in mind, we launched our initial project that fall, commissioning the production of a 50th Anniversary Alumni Directory. This resulted in a database of information which enables us to assist classes with reunion planning and help individual alumni contact long lost classmates. Updated editions were published for 2011, 2016, and 2021.

Since 2006, the CDHSAA has provided more than \$39,000 in student scholarships, constructed the Veterans Memorial at the high school, and has contributed approximately \$20,000 to various projects and groups at the school.

The mini-golf tournament was created by **CD grad Terry Davis, class of 1967, and his wife, Marsha**. We are grateful for their generosity and assistance.

MINI-GOLF SPONSORSHIP LEVELS:

\$1,000 Event Sponsor - Identification on all promotional material signage throughout the event, plus four golf teams.

\$750 Ram Sponsor - Special signage, plus three golf teams.

\$500 Green Sponsor - Special signage, plus two golf teams.

\$250 White Sponsor - Special signage, plus one golf team.

\$100 Hole Sponsor - Tee sign.

Additionally, we're happy to accept donations of goods, services, and gift cards to be used as prizes for the winning teams.

We have putters and golf balls for each player, but you may bring your own putter if you choose to do so. Be sure to return all putters and balls when you complete the course. There will be NO mulligans/do-overs.

We will be playing "best ball." That is: all 4 players will hit the ball, but will play from the spot of the best shot made by your team. Only 1 score is recorded for each team per hole. Continue until ball is in the hole and move to the next hole.

Each team starts on a designated hole and will play all 18 holes, which should take approximately 2 hours.

Hole in One-Hole Wins a Car! A single player must get the ball from the tee to the hole in one stroke. There will be prizes for each flight's First, Second, and Third Place teams. We'll also have snacks and beverages for sale, and a 50/50 drawing.

We guarantee a fun time while you support these two worthy organizations!

RAMS

BASEBALL

Your contributions will be used for winter workouts, supplemental uniforms needs, equipment, team building activities, additional travel costs, and field improvements. Your help will further our team mission of promoting a strong work ethic, success through team work, building a strong mind and body, and giving back to the community, qualities these young men will take with them in their future endeavors.
